Our cover, the last weekend in January, was taken at Ship Street beach where a rare cold snap had coated the surface of the harbor with new ice. We have so many readers in Florida for the winter that we have been hard pressed this January to feature something for them to feel good about. The photos above were shot from the Ship Street wharf toward the near shore and, at top, toward the town wharf. It certainly wasn't balmy but it was not our typical January.

The thin ice off the beach and beyond over the harbor forms white caps for the shore rocks as the tide lowers and the morning sun highlights each as if they were marching in a frigid parade. Such is the winter beach, always changing with the light, the tide, and the winds. There is nothing dull about the shore.

How is good vision like an old saying?

How much trust would you have in a doctor who had two for one sales on gall stone operations? Not much, would you? Well Oxford Family Eye Care feels the same way about eye care. Unlike the franchises, we at Oxford Family Eye Care look at ourselves as a health care service - not a retail operation. Good vision is too important to be reduced to two for one sales. This health care approach has been our tradition. When you come to Oxford Family Eye Care you'll find a wide selection of frames, but more important, your prescription will be filled accurately and quickly. We also offer **EMERGENCY SERVICE.** Oxford Family Eye Care has always taken vision seriously, because we know that like an old saying, good vision can too easily be taken for granted.

Override Election
Thursday, Feb. 7

POLLS OPEN 10 A.M. to 8 P.M.
OLD HAMMONDTOWN SCHOOL

If the article passes at the Monday, February 4th special town meeting to override Proposition 2½ for a debt exclusion for $250,000 to pay Mattapoisett's share of the sewerage plant expansion in Fairhaven to allow for Mattapoisett's 250,000 gallons per day added capacity, there will be a special election on Thursday, February 7th, from 10 a.m. to 8 p.m. at Old Hammondtown School.

A debt exclusion of approximately 10 cents on the tax dollar will be only for the length of the bond payments, seven years, and not a permanent tax increase.

"Cafeteria" Insurance Plan

MATTAPOISETT SELECTMEN'S MEETING
JANUARY 29, 1991-by VIRGINIA MORGAN

For the second time in a year, Selectmen last Tuesday heard a presentation for a proposal to join a "Cafeteria Plan" covering insurance payments for full-time town employees. This second proposal was presented by Gary A. Lannquist of Mutual of Omaha known as Premium Flex Plan. The focal point of the plan is to use pre-tax dollars to pay medical premiums, thus saving money

for the person insured. The first plan proposed was not accepted.

Following the presentation, selectmen agreed to take the plan under advisement until members have a chance to review the information and to consult further with Town Treasurer Kathleen Briggs, who will handle the payroll deductions.

Mrs. Briggs and Robert Fay, head of Old Colony Regional Vocational-Technical High School's Computer Department that keeps employees' records and deductions for the purpose of preparing payroll checks, attended. Mrs. Briggs explained there could be a problem because under 32B of the Plymouth County regulations the County regulates all of the health and life insurance. "We are not supposed to solicit insurance." She added that those covered would be employees working at least 20 hours per week and presently receiving benefits.

Mr. Fay said "I have dealt with Rochester's computer services for payroll deductions with another representative. We have found we will have to put in more deduction spaces on the payroll checks; now the payroll check slots will be filled up. We will have to expand the file and add slots on the checks." He added that he can do it but that it will require time he does not have now because of preparing W-2 forms for the income tax returns. "Perhaps in six months I could do it or we could hire someone to do it, but Rochester does not want to spend the extra money for this purpose."

The representative, Mr. Lannquist, said this would be no problem for his company.

Mr. Lannquist explained the program saying the Premium Flex Plan is an employee benefit program designed to take advantage of certain provisions of Section 125 of the Internal Revenue Code. The plan allows an employee to pay medical, dental, life and disability insurance premiums with before tax dollars. As a result, both the employer and and the employee reduce their tax burden. At the present time there is no charge for the Premium Flex and Employee's choice services. All employee and enrollment information is kept strictly confidential, so saving taxes, expanding benefits, and increasing employee take home pay are easy and safe.

Selectman Daniel O. Mahoney expressed the opinion the plan is a marketing tool and the company makes its profit by selling long-term disability income insurance. The representative explained the disability insurance is an elective and the cost would have a 25 percent discount paid with tax free dollars in a group policy.

Mr. Lannquist explained Mutual of Omaha started the cafeteria plan in 1978, and it has been a success in the private sector. In 1988 the plan became a registered patent under Section 125 of the Internal Revenue

A similar cafeteria plan had been presented to selectmen earlier and the board members agreed not to participate after inquiring of employees if they were interested in the proposal.

In other business, Selectmen:

RECEIVED A LETTER from Police Chief James F. Moran expressing his concern and that of police chiefs from Marion, Rochester and Wareham on the reduction of the radio antenna on the tower operated by Continental Cablevision on Mill Street in Marion.

The cable company had notified selectmen it intended to reduce the tower by 70 feet from its present 310 feet to 240 feet because an engineering study revealed the top of the tower is not in good condition. Because of the potential liability to the cable company, it has decided to reduce the height of the tower.

Chief Moran informed selectmen that there is a possibility the effectiveness of the radio antenna could be affected. If so, the cost of placing a booster antenna on the tower

could cost the town about $15,000. He noted that an engineer had given the chiefs this information. The chief explained this tower in Marion is hooked up to Plymouth County, whereas the tower in Fairhaven is hooked up with Bristol County. The police radio antenna was on the tower prior to the cable company acquiring the property.

Selectmen noted its office will notify Continental Cablevision Company of the concerns expressed by the police chief and of their concerns. Selectmen Chairman John DeCosta did note that the tower is privately owned and that they have the right to reduce the tower.

RECEIVED A LETTER from Mr. Ed Cohen of Aerial Photos International, Inc. in which he describes various aerial photos of the Town of Mattapoisett for consideration of purchase by the town.

Selectmen agreed to hold the offer in abeyance until they have an opportunity to review the photos and the cost of the photos.

Selectman Mahoney noted one of the photos shows the Stackpole house on the waterfront before it was destroyed by the 1954 hurricane. He said the photos would be a nice addition to the historical items in the town hall if the cost isn't too prohibitive.

HEARD A REPORT from Selectman Bernard F. Talty regarding his attendance as the selectmen's representative to the Old Rochester Advisory Committee meeting. He said the ORR School Committee is considering requesting funds to repair/renovate the senior

high school on a step basis.

Mr. Talty said representatives to the advisory committee of the three towns (Marion, Mattapoisett and Rochester) are recommending a September special town meeting on the projects. He noted two years ago the whole package of $11 million was defeated; last year a smaller project was also defeated. This year the projects are being broken into three phases.

The first phase will cover "integrity of the building" and "code violation" repairs for $3 million which will also cover architect plans. One third of the cost is to replace the window-wall in front of the senior high school. Because it was built before the high oil cost, the large expanse of glass is inefficient. It will be replaced with brick and a thermopane window. Also, the 30 year old boiler is inefficient. Additionally, asbestos removal will come under phase one, Selectman Talty added.

RECEIVED THE APPLICATIONS of Patricia A. Apperson, 21 River Road and Gail H. Dunn, 84 Angelica Avenue for consideration as members of the Mattapoisett Public Schools Building Needs Committee. The applications will be considered when the chairman of the Mattapoisett School Committee, Clara D. Morgan, Moderator R. William Blasdale and Selectmen Chairman John DeCosta vote jointly.

eye talk

Q. **My husband and I are both nearsighted. Can we prevent this vision problem in our child?**

A. Nearsighted people, as you know, can see clearly up close but not far away.

Although nearsightedness is a common problem, its cause is not known for certain. Prevention, then, is not clear cut but optometrists can, in some cases, prescribe treatment that may help stop or slow its progression.

For example, mild prescription glasses to be worn only when doing close work might be prescribed to make it easier for the eyes to focus. Or contact lenses might be prescribed, since they sometimes tend to slow or stop nearsightedness.

Your best bet to control nearsightedness is to start your child with annual eye examinations at age three.

VOTER REGISTRATIONS

You are reminded that voter registrations are being accepted for the Special Town Meeting to consider Zoning By-Law changes to be held on TUESDAY, March 26th, and for the Annual Town Election and Annual Town Meeting.

Daily registrations are accepted from 8:00 a.m. to 4:00 p.m. and on Tuesday evenings between 7:00 and 8:00 p.m. If you have registered in the past and have not been removed from the Voting List you do not need to re-register. Persons who are not registered to vote are reminded to come in at their earliest convenience.

NOMINATION PAPERS FOR THE ANNUAL TOWN ELECTION APRIL 2 are now available in the Town Clerk's Office, Mattapoisett Town Hall. Papers must be taken out on or before FRIDAY, FEBRUARY 8, 1991, and returned on or before Tuesday, February 12, 1991. To date papers have not been taken out for the Mattapoisett Housing Authority.

ANNUAL TOWN CENSUS FORMS have been mailed to all households and should be returned to the Town Clerk's office as soon as possible. You may utilize the mail slot on the front of the Town Hall building during hours when the office is closed. Please call 758-4103 if you have any questions or if your household did not receive a form in the mail. Many forms have been returned by the Post Office as being undeliverable.

Antique Valentines

AND VICTORIAN WICKER FURNITURE
MARION ART CENTER

An exhibition of antique valentines and Victorian wicker furniture is on display at the Marion Art Center during the month of February. The valentines are from the collection of Nydeck Schenck, and the wicker pieces are from the Wicker Porch Antique Store located in Marion.

Victorian wicker has a very eclectic style. Intricate beading and weaving techniques exemplify exotic Victorian tastes. Most Victorian wicker was manufactured in Massachusetts in either Wakefield or Gardner. Its enduring qualities and artistic appeal have made it a very valuable collectible. All pieces have been meticulously restored, and those in the exhibition will be for sale.

The elaborately decorated valentines reflect the same tastes and style of the 19th century furniture. The subjects range from traditional cupids to a unique "airplane"

Marion Art Center

WINTER ARTCAMP at the Marion Art Center is an excellent remedy for the familiar February Break cry, "There's nothing to do!" For three days, Tuesday, February 19th through Thursday, February 21st, Kindergarten through 4 grade students can explore art, music and theater from 9:00 a.m. to 12 noon.

The program, an extension of the popular Summer ARTCAMP, begins each day with a sign-in/greeting period. Artcampers then move with other children their age through three 45-minute activity periods. There is a snack break at 10:45 provided by MAC, and a short game/showtime period at the end of each day.

All artcampers will showcase their talents for parents and friends in a short, no-pressure review on Thursday at noon.

The ARTCAMP staff includes Charlene Maker (art), Marilyn Brown (music), and Jessica Shepardson (theater). The fee for the three-day program is $45. for members and $50. for non-members. Please call 748-1266 for information and registration. Space is limited.

Mattapoisett Election Update

February 8th is the deadline for taking out nomination papers for the April 2nd town election. Nominating papers must be filed by February 12th with the Town Clerk at the Mattapoisett Town Hall.

John D. Gibbons has filed for re-election to the Board of Assessors. He will be facing Robert J. Fay for the three-year term.

A town meeting vote increased Board of Library Trustee members to six; therefore, there are three new slots to be filled. Florrie B. Smith has taken out papers for a two-year term, Sandra M. Dawson has taken out papers for the one-year term, and Warren H. Bell has taken out papers for the three-year term on the Board of Trustees. Louise R. Preissler has taken out papers for re-election to the regular

This month's speaker will be Captain M. C. "Lou" Costello of Middleboro. Captain Costello, who holds a 50 ton master's rating, is an accomplished diver with vast experience in our east coast waters. His specialty is WWII wrecks. The Captain will present a slide and video talk featuring famous wrecks off our shore as the German U8-53 (sunk in the final hours of WWII) and its last quarry, the Black Point. The highlight of his talk will involve the liberty ship John Morgan which was sunk off the southern coast laden with war cargo including heavy tanks.

BUILDING A POSITIVE IMAGE

Betty-Jane Scheff, Ph.D., Executive Director of Wareham Area Counseling Services and Consultant for Children's Charter of Newton, will present "Building a Positive Image of Ourselves as Women", sponsored by the Marion Mothers' Club. Dr. Scheff will focus on the many different roles that women play in the home, community, and working world. A mother of four, "B.J." shares both clinical and personal experiences as to the many roles women are faced with today.

Dr. Betty-Jane Scheff and Marion Mothers' Club President Sue Miller.

The presentation is open to the public and will be held at Sippican Elementary School Library on Tuesday, February 12th at 7:30. For further information you may call 748-0569.

Parish Lenten Retreat will be held from Monday, March 4th through Thursday, March 7th, conducted by Fr. Bob Charlton, presently director of vocations for the Sacred Hearts Community. Details regarding evening services and the Sacrament of Reconciliation will be forthcoming.

Persian Gulf: Our "Hour of Prayer" continues on Tuesdays from 7:00 to 8:00 p.m. in the church. Our purpose is to pray for the safety of these men and women and to offer support to their parents and families. Let us also be mindful of the POWs and their families, keeping them all in our prayers. Those from Mattapoisett serving in the Persian Gulf are Paul Callan, Mark DeCastro, Paul Levine, Gregory Louden, Henry Ouimet, Caleb Potter, Timothy Sullivan, Raymond Carvalho, Gregory Hiller and Stephen Perry.

In the front entrance of the church is a list of names and addresses of those from ORRHS serving in the Gulf. A note of support and assurance would be greatly appreciated.

Youth Ski Trip: The trip is scheduled for March 15th, 16th and 17th and a few spaces are still available. We will be skiing at Sunday River in Bethel, Maine and staying at the Town and Country Motor Inn. For more information contact F. Costello.

Recycling's Not So New!

As far back as 1690 a Philadelphia-area mill began using waste paper to make paper. 1897 saw N.Y.'s rubbish go to a "picking yard" which workers spread into 5 grades of paper, 4 grades of metal, 3 of carpet, plus rubber, horsehair, twine and bagging. 1905 brought Cleveland and Chicago into aluminum recycling - big time!

TAX ASSISTANCE

If you need assistance with your tax forms call the Council for an appointment. Mr. John Hall, Tax Consultant for the Elderly, will take appointments on Tuesdays starting February 12th. If you are a shut-in, Mr. Hall will be happy to go to your home to assist you. Call 758-4110, 9:00 a.m. to 12:00 noon.

VOLUNTEERS NEEDED

The Council on Aging is looking for volunteers to prepare food a few times each week for seniors who need help. They can either prepare a meal at the senior's home or at their own home and deliver it to the senior.

We also need a volunteer shopper to go on the van each Friday morning and assist a fragile senior with shopping. This would require about three hours of your time each week. Please call the Council office, 758-4110, if you can help us.

WISH LIST

At the very top of our wish list is a used computer. If anyone has one that they would like to donate to the Council on Aging we would very much appreciate it.

Veterans' Up-Date

SOLDIERS' & SAILORS' CIVIL RELIEF ACT

The SSCRA provides protection and relief to civilians who are mobilized into the military. With the advent of the Persian Gulf Crisis, it is prudent to review some of the provisions of the SSCRA as it relates to mortgage loans.

Mortgage loans are covered under the SSCRA to the extent that the borrower was a civilian when he or she borrowed the money and then later entered into active service. The relief begins when the individual receives orders to report for active duty and ends three months after separation from active duty. Some of the main provisions of SSCRA are as follows:

REDUCTION IN THE MORTGAGE INTEREST RATE. During the period of active duty the interest rate is reduced to 6%. The difference between the note rate and the 6% is forgiven and not added back on the loan balance. The SSCRA does not specify how the lender is to be made aware of active duty status, so the borrower must be sure he/she notifies the lender.

The lender may ask the court not to permit lowering the rate if the borrower's ability to repay is not affected by entering into active duty.

STAY IN ENFORCEMENT OF MORTGAGE TERMS. The borrower can ask the court to completely postpone any mortgage repayment while he/she is on active duty. If a stay is granted, the loan balance - plus accrued interest at 6% - is reamortized over the total of the remaining loan term plus time spent on active duty.

FORECLOSURES. Foreclosures cannot be started or continued against an eligible service member under most circumstances. If a borrower has any questions regarding this procedure, he or she should contact their attorney.

It should be noted that the above provisions regarding terms, stays, and foreclosures can be altered in two ways. First, by written agreement between the lender and the borrower, and second, by either the borrower or the lender applying to the courts for relief.

The above has been written only to cover mortgage loans and contracts. It should be noted that SSCRA also covers relief for such items as life insurance premiums, credit cards and storage fees for furniture.

John Shockro Honored

TO BE INDUCTED IN HALL OF FAME

John Shockro of Mattapoisett, varsity boys' basketball coach at Old Rochester Regional High School, will be honored with induction into the Attleboro High School Athletic Hall of Fame. He and seven other former Attleboro High School athletes were chosen by the Selection Committee for the group's first induction ceremony.

A 1965 graduate of Attleboro High School, John participated in three sports at the varsity level: Football, Basketball and Track. Also known as a true sportsman, John's best sport was basketball. He made the Boston Globe All-Star team in basketball and was the first 1,000 point scorer in AHS history, and the only 1,000 point scorer until 1990 when another senior joined the 1,000 point club.

John went on to play college ball at the University of Massachusetts.

The induction banquet is to be held on Saturday, March 2nd, at the Elks Lodge on South Main Street in Attleboro. The evening will begin at 6:30 with dinner being served at 7:30. Tickets for the evening are $25.00 each and may be obtained by sending a check to: Donna Houle, c/o Attleboro High School, House 2 Guidance, Rathburn Willard Drive, Attle-

"Spirit" Supper at Stang.

SPONSORED BY STANG PARENTS

The Bishop Stang Parents' Club is again sponsoring a "Spirit Supper", this one to precede the Bishop Stang-Dartmouth boys' basketball game on Friday, February 15th. The dinner, consisting of pizza, salad, dessert and beverage, will be held from 5 to 7 p.m. in the school cafeteria at a cost of $3.00 per person.

All students, their families, alums and friends of Stang are cordially invited to help cheer on the Spartans in this classic local matchup. As all pizzas must be ordered in advance absolutely no tickets may be purchased at the door. Tickets may be purchased through students or through the Development Office at Stang, 996-5602.

Mass. Maritime Sea Term

Several area residents are among the Massachusetts Maritime Academy cadets who recently departed for Sea Term Semester training aboard the Patriot State.

Local residents include Mason LaRochelle, Class of 1993; Ricardo Medeiros, Class of 1992; Todd Cynar, Class of 1994; Brian Blowers, Class of 1994, all of Rochester; and Ronald Ewan, Jr., Class of 1994, of Mattapoisett.

This voyage provides cadets with a portion of the six months of seagoing experience that is required by the U.S. Coast Guard before the students can take their Ship's Officer examinations.

is successful in its mission of educating and training young people for professional seagoing careers. The Academy serves the unique function of producing licensed Merchant Marine Officers for the industry afloat and ashore, and providing U.S. Naval Reserve/Merchant Marine Reserve Commissioned Officers.

During Sea Term Semester - an eight credit course - cadets perform all maintenance and watchstanding duties regularly performed by seagoing merchant mariners. These activities are closely supervised and evaluated by the Academy staff and supplemented by lectures and training sessions.

The voyage, which will return Thursday, February 21st, has been reduced from 65 days due to the fiscal problems of the Commonwealth of Massachusetts. This year the ship will visit ports in New Orleans, Louisiana; Miami, Florida; and Willemstad, Curacao.

The 25-year-old, 546-foot long, steam powered Patriot State training ship is federally owned and registered. A $20 million asset, the maintenance and repair of the former passenger/freighter are paid by the federal government, while its operating costs are paid by the Academy.

As an option to training aboard the Patriot State, 70 of the Academy's junior class cadets have been selected to participate in the Commercial Shipping Program, a co-op assignment where they receive training aboard commercial ships. The cadets were chosen based on a series of criteria, including academic performance, leadership and conduct. Of these, several have volunteered for assignments on ships carrying supplies to U.S. troops in the Persian Gulf.

As a result of extensive practical training and experience, coupled with an excellent shoreside education, Mass. Maritime's

Men Who Cook 1991

Actor Paul Newman has joined the ranks of sponsors of the upcoming community event, "Men Who Cook", to benefit the New Bedford Women's Center. This year, Men Who Cook will be held on Saturday, March 2, from 6 to 9 p.m. at the Greater New Bedford Regional Vocational Technical High School and will again feature a wide range of ethnic culinary delights. Although unavailable to cook, Mr. Newman will donate a personal item that will be offered as part of the evening's raffle.

Donating a raffle prize is one of several ways to support Men Who Cook. Individuals or corporations donating $250 or more become major sponsors and receive complimentary dinner reservations. All other donations of any amount are welcomed. Funds raised go to support a wide variety of programs to prevent teen pregnancy, support battered women and their children and assist victims of sexual assault.

SMU Freshmen Parents Day

Parents of Southeastern Massachusetts University freshmen will get a taste of the variety and spice that is university life during Freshmen Parents Day February 9th.

Now in its second year, a packed schedule of lectures, exhibits, and cultural events will enable parents of SMU's 826 freshmen tó better understand the challenges and choices facing their sons and daughters.

Norman L. Barber, director of New Student Programs and Coordinator of Freshmen Parents Day, said most 18 and 19 year old freshmen go through a transition period during their first year in college that can shake their self-esteem.

The Freshmen Parents Day is designed to let parents know how to cope with this phase. "It's important to freshmen that their parents be involved in their college activities", Barber said.

Lectures by SMU faculty and professional staff will address such topics as develop-

"Experience alone does not guarantee success on this exam", said Francine Fink, director of the Center for Business & Industry at BCC. "In California, the first state to enact the testing program, more than 50 percent of the drivers taking the exam failed to pass it."

The day-long exam preparation at BCC reviews more than 450 questions taken from the U.S. Department of Transportation authorized text. "It is designed to provide the commercial driver with essential information to prepare for the exam", said Fink. "It uses lectures, video presentations and discussion to familiarize participants with the information all drivers need, as well as the specialized information needed by bus drivers, hazardous materials carriers, and combination vehicle drivers."

The one-day workshop will be offered Saturdays from 8 a.m. to 5 p.m. on the following dates: February 23rd, March 30th, April 20th, May 18th, and June 22nd. The program costs $70. plus a $10. registration fee. Lunch is not included.

TAKE SCIENCE ON TELEVISION AND EARN COLLEGE CREDITS AT BCC

Want to get credit for watching television? You can with the help of Bristol Community College.

"We're offering four credits for 'Science, Technology and Society: A Chemical Perspective' as a TV course this semester," said Janice Motta, dean of continuing education and community services. "Students view two lectures on television Sundays from 5 to 6 p.m., and come on campus weekly for a lab session." Students meet as a class two or three times during the semester, and the instructor is available by phone during the week for extra help, she added.

Although classes for the semester have begun, students can still get into this course. "We have the videotapes for each lecture on reserve in the Learning Resources Center on campus, and the teacher will meet with students to bring them up to date with the rest of the class", said Motta.

Courses offered by television are different from on-campus courses only in delivery, Motta added. "Course content, requirements, evaluation and testing are the same", she said.

The course is aired on WGBX, which can be viewed on most southeastern New England cable systems.

For more information contact the Division of Continuing Education at BCC, 678-2811, ext. 155.

Then it is time to settle down and roll out your sleeping bag in the exhibit of your choice. On Saturday, wake up at 7 a.m. and after breakfast enjoy more marvelous make-it-yourself projects until 10 a.m. when the Overnight ends. Overnighters may stay in the Museum until closing on Saturday, but gear must be claimed by 11 a.m. Be sure to stop by the Museum Shop to purchase an Overnight T-shirt or visit the Recycle shop and bag some materials to take home.

Hurry and reserve space now for the Family Overnight at The Children's Museum by calling (617) 426-6500 x327. Children must be at least six years old and accompanied by an adult. Pre-registration and pre-payment are required. The fee is $23. per person for non-members, $21. per person for members. Overnight fee includes Museum admission, parking, all activities and programs plus an evening snack. Dinner is "on your own" and breakfast can be purchased at McDonald's.

The Children's Museum is located at 300

TOWN OF MATTAPOISETT
PLANNING BOARD
PUBLIC HEARING

The Mattapoisett Planning Board will hold a Public Hearing in accordance with G.L. c.40A s.5 on THURSDAY, FEBRUARY 11, 1991 at 7:00 P.M. at the Old Hammondtown Town School Cafetorium to discuss the following proposed Zoning By-Laws:

ARTICLE 1: MATTAPOISETT RIVER AQUIFER PROTECTION DISTRICT: Given current and long term municipal fiscal constraints, residents of Mattapoisett do not appear to have the luxury of spending large sums to clean up and treat the aquifer water supply if it becomes polluted. Development is rapidly encroaching on the aquifer. This proposed by-Law addition will create an overlay aquifer protection district, which will permit only those uses which will not have adverse impact on the aquifer. The proposed By-Law has been adapted from the 1988 SRPEDD report entitled "Mattapoisett River Aquifer Protection Plan".

ARTICLE 2: CLUSTER HOUSING: A number of communities throughout Massachusetts and New England have adopted zoning regulations that allow more flexibility in the development of single family home subdivisions. These regulations are generally referred to as "Cluster Zoning". For the privilege of reducing the required lot sizes to a stated percentage of regular zoning requirements, the developer is required to set aside an equivalent space that will be preserved as "open space". the density of development is governed by the number of lots that could be obtained under a normal subdivision of a site. Since each lot will have to meet Board of Health Title V standards, there may be areas of Mattapoisett where clustering is not feasible.

ARTICLE 3: GENERAL BUSINESS DISTRICTS: Current zoning allows the construction of multi-family dwellings along Route 6 in the General Business Zone. Because of the limited depth of the zone, it may not be prudent to allow multi-family housing that is situated too close to the highway. This proposed change to the By-Law will allow multi-family used in this area only after the issuance of Special Permit.

ARTICLE 4: PRE-EXISTING NONCONFORMING USES: Adds a requirement to submit to the Board of Appeals a report of a registered professional engineer as to the adequacy of an existing subsurface sewerage disposal system for special permit applications.

ARTICLE 5: WATER USE DISTRICT: The Mattapoisett Zoning Map shows no zoning designation for the water areas of the Town. Although Mattapoisett has not experienced any unusual problems to date, there is no assurance that some ingenious way to use the water area will not be proposed.

ARTICLE 6: SPECIAL PERMIT GUIDES: Requires that other Town boards, i.e. Planning Board, Conservation Commission and Board of Health, be involved in the special permit granting process and that specific findings must be made to grant a special permit.

ARTICLE 7: ZONING MAP WU: Amend the zoning map to show the symbol "WU" for all salt and brackish water areas within the municipal limits and seaward of the mean high water.

ARTICLE 8: DEFINITIONS: Redefines "Special Permit Granting Authority".

ARTICLE 9: ESTABLISHMENT OF DISTRICTS: Amends Section IV.A -"Types" to include new districts created by these proposed by-law amendments.

Complete text of the proposed by-laws and maps are available for inspection in the Town Clerk's office during normal office hours.

Karon Doherty, assistant professor of ceramics at Southeastern Massachusetts University, will give a free, public slide presentation titled "My Life in Art" at 7:30 p.m. February 7th in the Recital Hall, room 153, of the Visual and Performing Arts building. Park in lots 8 or 9.

SMU Art Gallery

The Southeastern Massachusetts University Art Gallery will exhibit an original installation by New York sculptor Petah Coyne February 2 through March 8.

The gallery, located in the Visual and Performing Arts building, is open Monday through Saturday 1 to 5 p.m.

In the Atrium outside the gallery, an exhibit titled "Pier Paolo Pasolini: Stills and texts" will showcase the Italian filmmaker's cinematography and writing. Pasolini documentaries will be screened at 8 p.m. February 12th in Room 104. Admission is free.

Petah Coyne's untitled installation was created specifically for the SMU Art Gallery through a New Works grant funded by the Massachusetts Cultural Council. Its large black shapes suspended in an all white space progress thematically from work placed outside the entrance of the gallery to a separate space on the upper level of the main gallery.

Funds to offer this monthly screening are provided by the Massachusetts Department of Education. Project GROW staff will conduct the screening in the pre-school classroom at the Sippican School.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas or simply wonder if his/her development is "on target" call 748-0100 for an appointment.

Screening clinics will be offered regularly throughout the school year.

TEACHERS PARTICIPATE-MATH COURSE

Upper grade teachers at Sippican School in Marion have been participating in the Math...A Way of Thinking follow-up course this school year. The course is being directed by Debbie Almeida, grade 4 teacher at Sippican, who is a follow-up leader for the California based center for Innovation in Education. Participants from previous summer sessions attend the follow-up to address issues that arise during instruction of the highly manipulative math program.

Sippican School has several teachers involved: Dave Baker, grade 6; Sandi Rosen, Janine Lambert, grade 4; Pat Lemire, Fred Hutchings and JoAnn Vierkant, grade 3. The monthly sessions focus on one area of math instruction at a time. For example, the winter sessions centered on multiplication/division, fractions, and graphing. Upon the completion of eight sessions, the teachers receive three graduate credits and lots of ideas and strategies for teaching mathematics. The goal of the program is to have children internalize the concepts of mathematics by using manipulative materials and problem solving techniques.

From Old Colony

STUDENTS VISIT WHALING MUSEUM

Recently students from Old Colony Regional Vocational-Technical High School visited the Whaling Museum and the Seamen's Bethel in New Bedford. The twenty-five seniors are presently studying "Literature of the Sea", an elective offered by the English Department. Mrs. Herrman, the English instructor, said that the museum guides were very helpful and knowledgeable in giving an accurate historical account.

Students also visited the Seamen's Bethel which is located across the street from the Whaling Museum. Here students imagined seeing Herman Melville sitting in the pew marked with his name or hearing Father Mapple giving his famous sermon from the ship-shaped pulpit.

This field trip was funded through the School Improvement Council.

SHADOW PROGRAM

If your child is considering applying to Old Colony Regional Vocational-Technical High School but cannot make up his/her mind, the new "Shadow Program" may be helpful.

The "shadow program" is designed so that a student may spend an entire school day at Old Colony. The eighth grader is matched with an upperclassman in the shop of the student's choice.

ony's Guidance Department, "The shadow program allows the child to experience first-hand a typical day in a vocational-technical program. It may help a student to decide whether or not Old Colony is an appropriate educational option."

In order to participate in the program an eighth grader should contact their guidance counselor and express their interest in shadowing for a day. The shadow program will be available through April. Students residing in Acushnet, Carver, Mattapoisett, Rochester, as well as those in Freetown and Lakeville are eligible to participate.

For further information please contact Paula Simmons at Old Colony by calling 763-8011, extension 28.

Lloyd Center

OWL PROWL

You've heard them at night. The call that sounds like a person saying "Who? Who?" or a horse neighing. Who or what makes that sound? Owls, birds of the night. If you have ever wanted to see owls join the Lloyd Center on either Sunday, February 10th, or 24th. From 3:30 a.m. (yes, the middle of the night!) to dawn participants will search out the various owls that call southeastern Massachusetts home. During past owl prowls participants have seen screech owls, great horned owls, short-eared owls and the elusive barred owl. There is also the possibility of seeing a snowy owl, too.

If you want to see these creatures of the night call the Lloyd Center at 990-0505 or stop by at 430 Potomska Road, South

N.B. Whaling Museum

"LES PETITES DAMES DE MODE..."

The New Bedford Whaling Museum, 18 Johnny Cake Hill, New Bedford announces the opening of a new exhibit, "Les Petites Dames De Mode: Fashion Dolls by John Burbridge", on February 18th. Running until March 31st, this exhibit celebrates National Women's History Month. Thirty dolls, each 29 inches in height, are dressed in historically accurate attire representing the clothes worn by fashion-conscious women of the period from 1850-World War I.

John Burbridge, retired designer of bridal gowns for Priscilla of Boston, uses his historical knowledge of 19th century fashions to create complete outfits of the era of the great Paris designers.

Congratulations to
Dave Furtado
Owner of Mattapoisett's newest restaurant
Antone's
We believe the addition of Antone's Restaurant to Mattapoisett is an asset and will be a pleasure to the townspeople.

Mr. Burbridge will give an illustrated lecture on these fashionably attired dolls on Tuesday afternoon, March 19th, at 3:30 p.m. in the Museum Theater (snow date is March 26th). After the lecture, tea will be served in the Lagoda Room. Admission to the talk and tea is free to members. There is a $5.00 charge to non-members.

The New Bedford Whaling Museum is open from 9 a.m. to 5 p.m. Monday through Saturday and 1 to 5 p.m. on Sundays. Admission is $3.50 for adults, $3.00 for senior citizens, and $2.50 for children ages 6-14. Group rates are available. For further information call 997-0046.

Vacation Week at Heritage

"Amazing Animals", children's films based on several award-winning books, will be shown on February 20th, at 11:30 a.m. Then, on February 22nd, Paul Vincent Davis, puppeteer, will present a puppet show, "Raccoon Tales of the Seneca", at 11:00 a.m. and 2:00 p.m. Both programs will take place in the theatre of the Round Barn at Heritage Plantation during school vacation week.

"Doctor DeSoto, Fourteen Rats and a Rat Catcher, The Mysterious Tadpole and Norman the Doorman" are animated films based on award-winning children's books and are best suited for ages 5-9. Wednesday's program encourages families to bring a blanket, and brown bag lunch. The Museum will provide the beverage and dessert. The cost for children is $1.00 and adults, $1.50.

On Friday, Master Puppeteer Mr. Davis will perform three playful folk tales originally told by Native Americans of the Seneca tribe. Enjoy the adventures of Ring-Around-His-Tale-Raccoon as he meets and confronts other familiar animals of the American forests. Mr. Davis has performed for more than forty years at colleges, theaters, schools and museums throughout the United States and Canada. His numerous awards for excellence

Heritage seeks Volunteers

Have you ever pondered the plight of a sailor on a whaling vessel during the early 1800s? Are you curious about which president was the first to ride in an official White House vehicle? Would you like to know more about rhododendrons? If you answered yes to any of these questions and enjoy people, then join the ranks of the dedicated volunteer tour guides at Heritage Plantation of Sandwich. Training takes place on Wednesdays and begins on February 27th with an information coffee and introductory tour of the museum by its director, Gene A. Schott. Please call the Education Department at 888-3300, extension 22, for additional information.

VOLUNTEERS-MESOAMERICA EXHIBIT

A Maize God sculpture will beckon visitors to enter the Precolumbian world of Mesoamerica and explore over seventy-five objects from the ancient Olmec and Maya civilizations when Heritage Plantation of Sandwich opens to the public this spring. Volunteers are sought now to begin training as subject area specialists for the exhibition, "Art, Architecture and Power in Mesoamerica: Olmec and Maya Artifacts from the Collections of
